CARRIED

Principal Report:

- staffing for the 2017/2018 school year is now complete, at this time Rockwood is less one class, but enrollment could have an impact on that come September 2017.
- Rockwood's grade 8 softball team won first in the RCEIAA West Division
- EQAO results will be available in September

Fun Night Update:

- Fun Night was a great success this year, with some changes to games, layout, and the addition of Skyza, and the Army Obstacle Course
- great feedback from everyone that will help that committee with the preparations for next year

Other:

- a suggestion was made for teachers (teaching the older grades), to send home a work/review sheet for students and parents to review together at home on a regular basis.
- another point made was to have updates and input for parents on school improvement plans from the province and Board so parents can focus on supporting their own child at home in those areas (ei. Math, special education, mental health)

The meeting was adjourned at 6:38 pm. The next meeting will be held on **Tuesday, September 19th, 2017 at 6pm**. A reminder for the next meeting to submit any items for the agenda the week before September 19th.
