Set up for council meetings . We must have at least 4 meetings. Tentative months are Sep, Nov, Feb, June. Meetings on Wednesdays evenings at 6:30 pm.

Separate fund raising is done by the fund raising committee that takes care of fun night.

EQAO – Rockwood's score was very good, a possible reason is because of parent involvement. Math is down province wide.

Topics:

Water fountain not available for Kindergarden classes. It will take about a month to repair.

Grade 8 permission notes to go out of school property at second break. Signout for each student is a must. Parents can make a note for the whole year instead of daily notes. Both options should be made available, so all parents are comfortable. Please note, students are not allowed to leave school grounds during winter.
